Force distribution

CHALLENGE

Ensuring logistics to distributed forces throughout city

RED

Challenges posed, tactics and technology

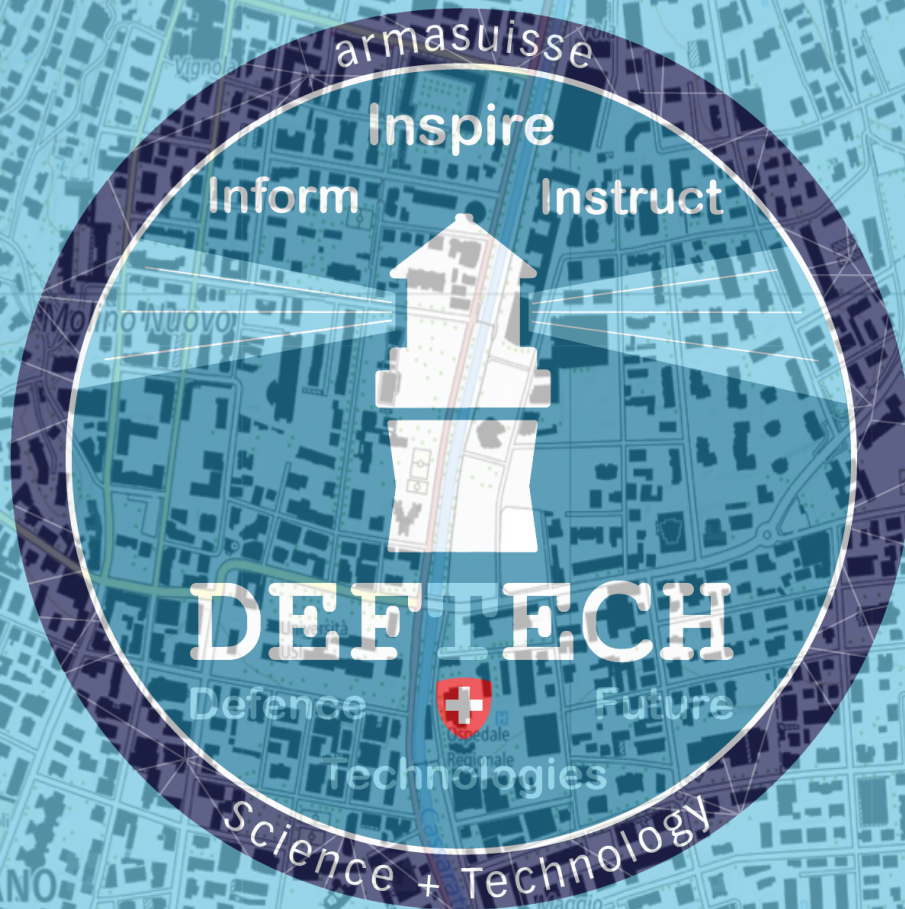

- Disruption of essential logistics to forward presence of troops in crucial locations throughout the city is likely as the aggressors are not necessarily recognizable as combatants in the densely populated and settled area.

BLUE

Objective and associated tasks

- Ensure communication between distributed forces.
- Identify and clear physical hazards/obstacles to logistic operations.

Use the technologies and your imagination to create systems that will help BLUE to achieve their objectives!
