

TITLE

Separation of forces

CHALLENGE

Separation and containment of forces
(two non-state armed groups)
in a situation of violent clash in a suburb,
assisting police forces

RED

Challenges posed, tactics and technology

- Means, numbers, forces structure/organisation and command chains of the NSAG (Non-State Armed Group) play a role in how to tackle this challenge and learning about those is a challenge itself.
- Collateral damage needs to be minimized which poses an additional challenge in the densely populated area.

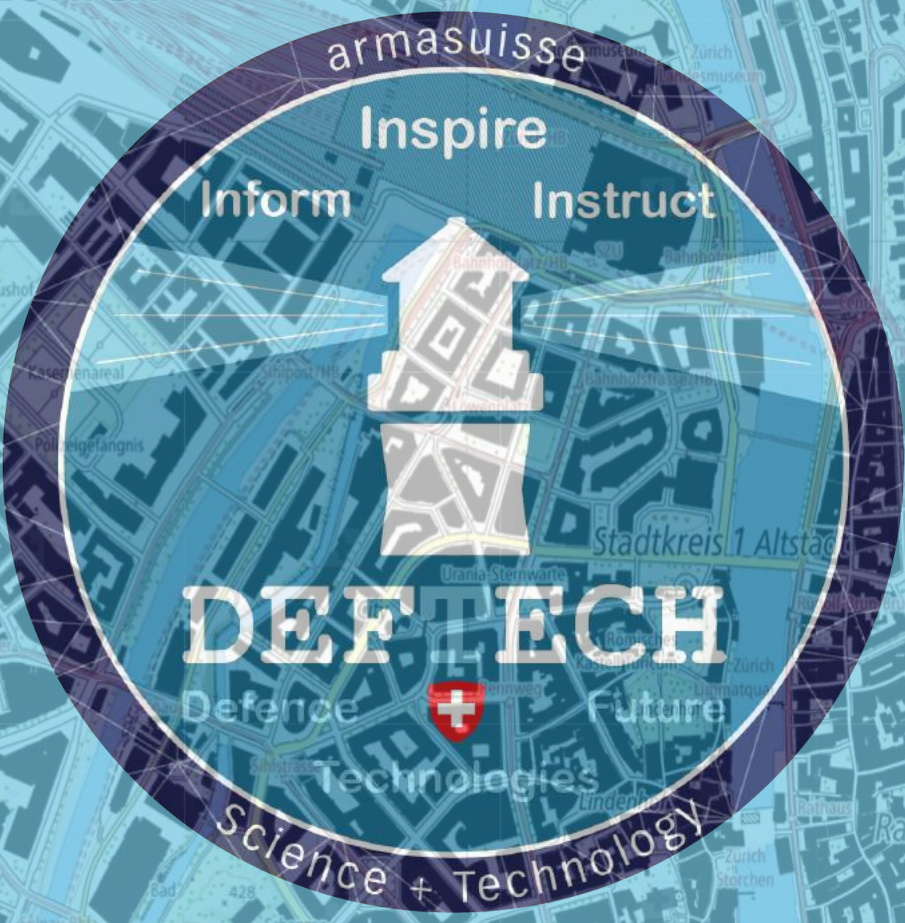

BLUE

Objective and associated tasks

- Separation and containment of forces and neutralizing of non-state armed groups.
- Protection and cover of own forces during combat operation.
- Protection of civilian population.

Use the technologies and your imagination to create systems that will help BLUE to achieve their objectives!
