Magnetic Games

You manipulate and transform
natural and artificial magnet fields.

**You can generate only one magnetic
field at a time.**

Magnetic Games

armasuisse
Wissenschaft und Technologie

deftech.ch

Time Juggler

You can accelerate or decelerate time.
an hour can become a day or a second

**Unfortunately, you can't remember
what has happened in those periods of
time.**

Time Juggler

armasuisse
Wissenschaft und Technologie

deftech.ch

Molecular Transformation⁺

You can convert any material in another and morph the form of objects.

The new items are very fragile.

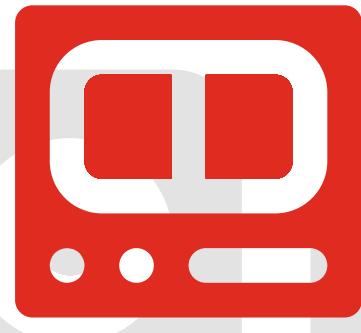

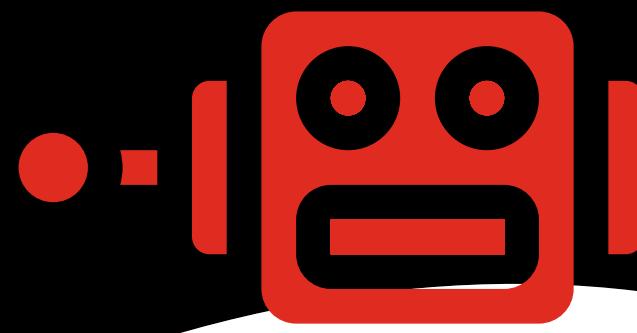

Molecular Transformation⁺

armasuisse
Wissenschaft und Technologie

deftech.ch

Lego Robot

You assemble robots from electronic standard components and task them.

The way, they solve their missions, may cause unexpected side effects.

Lego Robot

armasuisse
